- NASA (.gov)**
https://simplex.giss.nasa.gov › gcm › doc › git_howto
Git HOW-TO document for the GISS GCM
Git is a revision control system as CVS is. The main difference between these two systems is that Git is a distributed revision control system.

3. SCIENCE.GOV

a. Public Documents: PDFs

site science.gov filetype:pdf

<https://www.science.gov/communications/library/pressrelease.pdf>

A screenshot of a Google search results page. The search query is "site science.gov filetype:pdf". The top result is a link to a press release from Science.gov, titled "Sharon Jordan 865-576-1194 Tom Lahr 703-648-4222". Below the main result, there is a "People also ask" section with four expandable questions: "What is the best website for science?", "What is the science site?", "What is a scientific website?", and "When was Science.gov published?". Further down the page, another result appears for "Curriculum Development Centre" with a link to a PDF titled "Science and Technology".

b. Login Pages

inurl:login site:science.gov

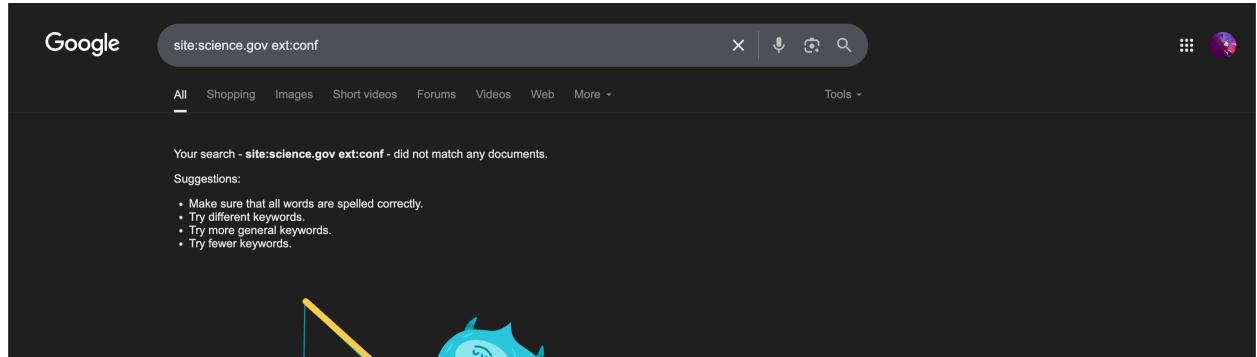

<https://www.science.gov/scigov/desktop/en/login.html>

A screenshot of a Google search results page. The search query is "inurl:login site:science.gov". The top result is a link to the "Science.gov Login" page. A note on the page states: "The Science.gov ALERTS feature will automatically update you regarding newly available information in your specific area(s) of interest." Below this, a message says: "In order to show you the most relevant results, we have omitted some entries very similar to the 1 already displayed. If you like, you can repeat the search with the omitted results included."

c. Public Backup/Config Files

site:science.gov ext:conf

NO RESULTS

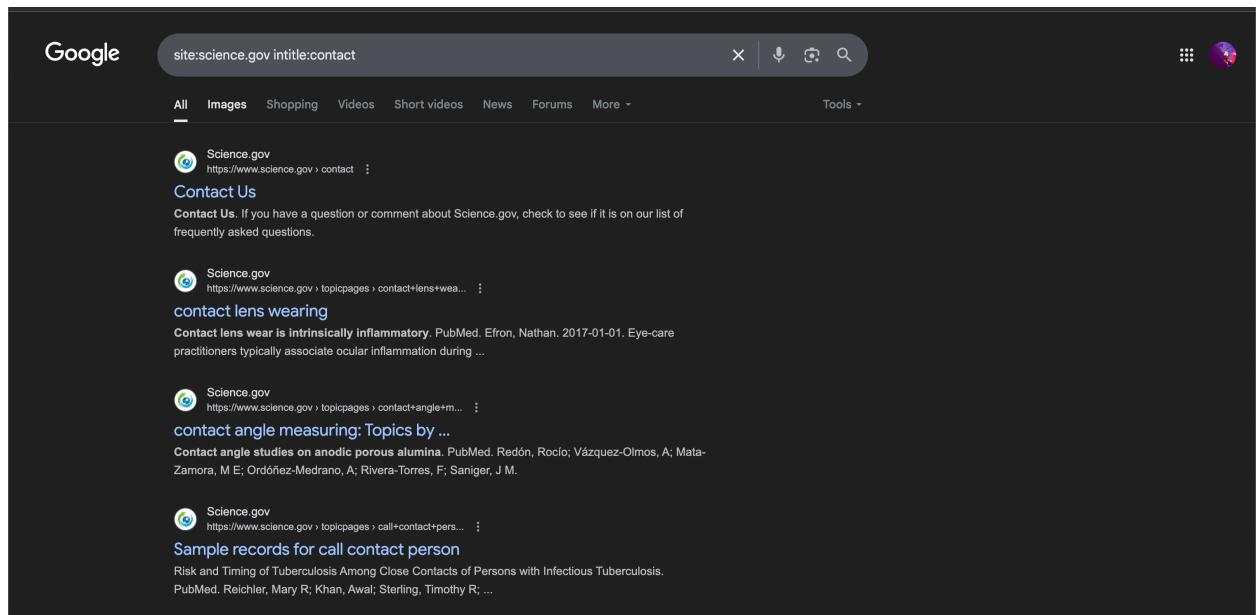

A screenshot of a Google search results page. The search bar at the top contains the query "site:science.gov ext:conf". Below the search bar, there are several navigation links: All, Shopping, Images, Short videos, Forums, Videos, Web, More, and Tools. The main content area displays a message: "Your search - site:science.gov ext:conf - did not match any documents." Underneath this message, there is a section titled "Suggestions:" with four bullet points: "• Make sure that all words are spelled correctly.", "• Try different keywords.", "• Try more general keywords.", and "• Try fewer keywords.". The background of the page features a dark theme with some abstract blue and yellow shapes.

d. Contact Information

site:science.gov intitle:contact

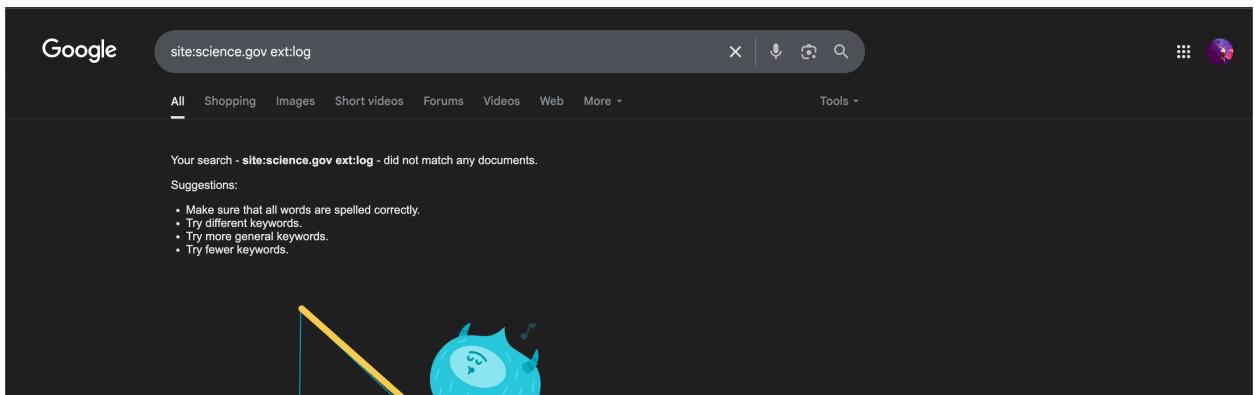

<https://www.science.gov/contact.html>

A screenshot of a Google search results page. The search bar at the top contains the query "site:science.gov intitle:contact". Below the search bar, there are several navigation links: All, Images, Shopping, Videos, Short videos, News, Forums, More, and Tools. The main content area displays a list of search results. The first result is from "Science.gov" and is titled "Contact Us". It includes a snippet: "Contact Us. If you have a question or comment about Science.gov, check to see if it is on our list of frequently asked questions." The second result is also from "Science.gov" and is titled "contact lens wearing". It includes a snippet: "Contact lens wear is intrinsically inflammatory. PubMed. Efron, Nathan. 2017-01-01. Eye-care practitioners typically associate ocular inflammation during ...". The third result is from "Science.gov" and is titled "contact angle measuring: Topics by ...". It includes a snippet: "Contact angle studies on anodic porous alumina. PubMed. Redón, Rocío; Vázquez-Olmos, A; Mata-Zamora, M E; Ordóñez-Medrano, A; Rivera-Torres, F; Saniger, J M." The fourth result is from "Science.gov" and is titled "Sample records for call contact person". It includes a snippet: "Risk and Timing of Tuberculosis Among Close Contacts of Persons with Infectious Tuberculosis. PubMed. Reichter, Mary R; Khan, Awal; Sterling, Timothy R; ...". Each result includes a small thumbnail image of the Science.gov logo.

e. Exposed Logs/Errors

site:science.gov ext:log

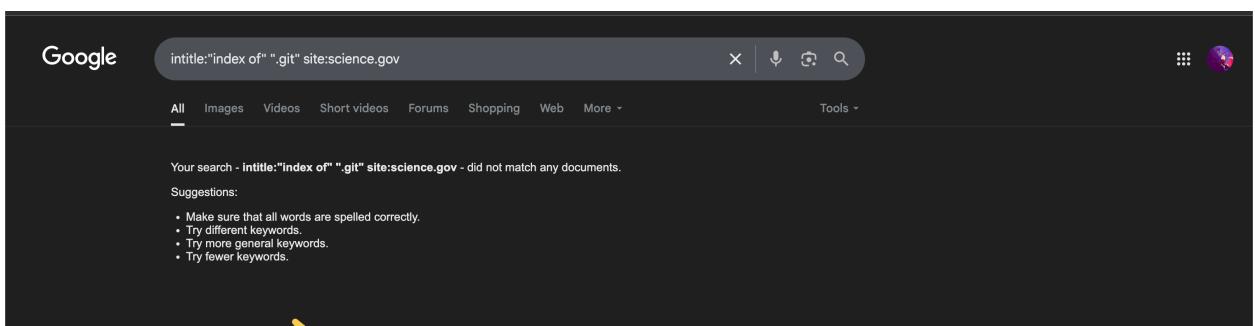

A screenshot of a Google search results page. The search bar at the top contains the query "site:science.gov ext:log". Below the search bar, the navigation menu includes "All", "Shopping", "Images", "Short videos", "Forums", "Videos", "Web", and "More". To the right of the menu is a "Tools" dropdown. The main content area displays a message: "Your search - site:science.gov ext:log - did not match any documents." Below this message is a "Suggestions:" section with four bullet points: "Make sure that all words are spelled correctly.", "Try different keywords.", "Try more general keywords.", and "Try fewer keywords.". The background of the page features a dark theme with a blue and yellow abstract graphic on the right side.

f. Git Folders

intitle:"index of" ".git" site:science.gov

NO RESULTS

A screenshot of a Google search results page. The search bar at the top contains the query "intitle:'index of' '.git' site:science.gov". Below the search bar, the navigation menu includes "All", "Images", "Videos", "Short videos", "Forums", "Shopping", "Web", and "More". To the right of the menu is a "Tools" dropdown. The main content area displays a message: "Your search - intitle:'index of' '.git' site:science.gov - did not match any documents." Below this message is a "Suggestions:" section with four bullet points: "Make sure that all words are spelled correctly.", "Try different keywords.", "Try more general keywords.", and "Try fewer keywords.". The background of the page features a dark theme with a yellow arrow pointing upwards on the left side.
